

And So It Is

by David Washington

You are Love. That's all there is. (Perfect Love is all there is.)
I am Love. That's all there is. (Perfect Love is all there is.)
We are Love. That's all there is. (Perfect Love is all there is.)
.....(Perfect Love is all there is.)
.....(Perfect Love is all there is.)

You are Life. That's all there is. (Abundance, joy and happiness.)
I am Life. That's all there is. (Abundance, joy and happiness.)
We are Life. That's all there is. (Abundance, joy and happiness.)
.....(Abundance, joy and happiness.)
.....(Abundance, joy and happiness.)

You are Light. That's all there is. (Lighting up the world today.)
I am Light. That's all there is. (Lighting up the world today.)
We are Light. That's all there is. (Lighting up the world today.)

And so it is! (Lighting up the world today.)
And so it is! (Lighting up the world today.)
And so it is! (Lighting up the world today.)
And so it is!
