

It's A New Day

by David Washington and Judy Holding Wilson

Spirit is Life.
Life is Spirit
Flowing through me.
 When I'm there I'm free.
 I am free

There's a place,
A space inside
Where love abides.
 And when love's here I'm free.
 I am free.

Free!

Love is like a river that's flowing all around me.
I'm feelin' so happy I don't care if I drown.
I wake up in the morning with a smile upon my lips
And offer out a blessing through my heart and fingertips.

Love is overflowing. It's a brand new day.
I feel like overflowing. It's a brand new day.

Love is overflowing. It's a brand new day.
I feel like overflowing. It's a brand new day
