

I've Found A Way

by David Washington

I've found a place to be
Where my heart can come to rest in the Great Reality

I've found a way to appear
And take my rightful place with the angels residing here.

I've found a way not to hide
Where only the lovers of life can see.

I've found my way.

I've found a way to live
In earthy holiness and selfless honesty.

I've found a way to be
Like a river ever-flowing, love moves....

I've found a way to love
I've found a way.
I've found my way.
