

Let Creation Flow

by David Washington

Let creation flow like a river through my soul.
I let creation flow like a river through my soul.
A wheel with no beginning
Life is a never ending song!

A clear idea in boundless Mind;
Life take forms in space and time.
A clear idea, at one in Source
Love's true Word comes through my voice,
Let it flow!
Let it flow!

Let creation flow like a river through my soul. (Like a river through my soul.)
I let creation flow like a river through my soul. (Like a river through my soul.)

Let creation flow. (Like a river through my soul.)
Let it flow! (Like a river through my soul.)

Let it flow! (Like a river through my soul.)
Let it flow
