

Perfect, Whole and Complete

by David Washington

I am perfect, whole and complete;
Perfect, whole and complete.
From my deepest core to my farthest shore
Love is all I see

I am perfect, whole and complete;
Perfect, whole and complete.
I call my joy into form,
Perfect, whole, complete.

I am perfect, whole and complete;
Perfect, whole and complete.
From my deepest core to my farthest shore
Love is all I see

I am perfect, whole and complete;
Perfect, whole and complete.
I call my health into form,
Perfect, whole, complete.

I am perfect, whole and complete;
Perfect, whole and complete.
From my deepest core to my farthest shore
Love is all I see

I am perfect, whole and complete;
Perfect, whole and complete.
I call my love into form,
I call my health into form
I call my joy into form
Perfect, whole, complete.
