

Glory Road - David Washington

CHORUS: I'm walkin' the Glory Road, with you here by my side
I'm walkin' the Glory Road. There's joy in every stride.
I'm walkin' the Glory Road beneath the clear blue sky
I'm walkin' the Glory Road. I feel so satisfied.

VERSE 1: Dark stormy clouds may gather and bring the threat of rain
What does it really matter if life brings joy or pain?
Dark skies and stormy season stir up the sea below
Above the Sun is shining. There's nothing to do and nowhere to go!

CHORUS: I'm walkin' the Glory Road, with you here by my side
I'm walkin' the Glory Road. There's joy in every stride.
I'm walkin' the Glory Road beneath the clear blue sky
I'm walkin' the Glory Road. I feel so satisfied.

Glory Road - 2

VERSE 2: The atmosphere within us where Spirit freely flies,
To land on earth between us, connecting all our lives.
The feelings deep within us, a clear, calm, crystal sea
Pass through the light of heaven; creation to show, creators to be!

CHORUS: I'm walkin' the Glory Road, with you here by my side
I'm walkin' the Glory Road. There's joy in every stride.
I'm walkin' the Glory Road beneath the clear blue sky
I'm walkin' the Glory Road. I feel so satisfied.

INSTRUMENTAL: *(16 bars)*

CHORUS *(2x w/ad lib):*

I'm walkin' the Glory Road, with you here by my side
I'm walkin' the Glory Road. There's joy in every stride.
I'm walkin' the Glory Road beneath the clear blue sky
I'm walkin' the Glory Road. I feel so satisfied.
