

Keep It Simple - David Washington

Some people try to tell me that I'm doing it wrong.
They're singing the blues and they want me to sing along.
I've got a different story that makes more sense to me.
There's a reason why I'm happy and it comes through naturally.
I keep it simple and set my spirit free.

Some people try to tell me I got stars in my eyes.
I'd rather have stars than tears any day or night.
When they say the glass is half empty I see space for what could be.
It's a matter of perspective that shapes reality.
I keep it simple cause that's what works for me.

You know I've played the game of losin' and winnin'
The wheel keeps spinnin'.
There's more to do before my mortal ending
To keep my feet on earth and my vision lifted!

Some people try to tell me that I'm doing it wrong.
They want me fussing and fighting and pushing and shoving and
Singing their bluesy song.
Well, I've got news for you. There's only one thing to do.
And that's to take a stand in perfect peace.
Keep it simple, let Love's full release.

Keep it simple.
Keepin' it simple
Keep it simple.
Keepin' it simple.

Gonna keep it simple 'cause that's what works for me.
