

## Rising Up In Life – David Washington

Deep in my heart there's something I know;  
There's only one life, we all live It.  
And as this new day is dawning  
I have a gift to give.

So I rise, rise, rise up in Life.  
And I rise, rise, rise, rising up!

I see a world full of longing,  
Waiting for spring to appear.  
I feel a sense of belonging  
Within the love planted here.

So I rise, rise, rise up in Life.  
And I rise, rise, rise, rising up!

And when the night is over  
I slip the veil of slumber.  
My voice resounds like thunder  
Lightning up the way of Love!  
And I rise!

And I rise...  
Rising up!  
I rise, rising up!  
I rise,  
Rising up in Life.
